Dear Friend and partner:

Here at Through The Storm Ministries we are very excited about what the Lord is doing through the hearts of his people. Many people are giving sacrificially, **it is not the amount but the love and faith in which the gift is given.** I know the Lord will bless your gifts to his children, red, yellow, black and white they are precious in his sight. I keep hearing this then I look into their faces, feeling forgotten and without hope or love. **Together we can show these children the love of our Lord and give them a hope and future.**

School sponsorship for children in Kenya

While I was visiting last May, I was invited to a little country school. The administrators there asked for financial help to get many needed supplies. I learned that children in Kenya do not get free education. This causes many to go through their lives without having an opportunity to learn even the basic knowledge of reading or writing. My response to their plead for assistance was that we would be willing to sponsor children, not just give them money. If you are interested in this opportunity to sponsor a child to receive an education let me know and I will get you the information after I return from Kenya.

Back to Kenya!

The date is set and the tickets are purchased for our return to Nairobi, Kenya on December 3, 2000. **God provided the tickets at a sharp discount during a time of peak travel activity to that area.** Janice, Joyce Marendes and I will be traveling together. Joyce is originally from Kenya and her and Janice traveled together to Kenya earlier in the year. This will my first trip to Africa.

We believe that during our time in Kenya our instructions under the Lord are to accomplish three major objectives.

First, **because of your generous donations** we will be taking several suitcases full of bibles, shoes and assorted clothing to give out to many poor families and homeless children. **This will minister the love of Jesus and open a door for us to present His Gospel of salvation.**

Second, we will be looking at some acreage that is for sale to see if the land is suitable to serve as a site for the orphanage and to grow crops to help support the orphanage.

Third, we will be meeting with various people in order to establish a network of partners in building and operating the orphanage.

At last count we had 150 pairs of shoes, 110 bibles and 5 large bags of clothing. Next week we are scheduled to pick up more items. **Our goal is to take 400 pairs of shoes and 500 bibles to Kenya.**

Other ministry opportunities

It is easy to see that **God is moving on behalf of the nations of Africa.** Reports, newsletters, testimonies and requests for assistance by other ministries in the body of Christ give evidence that God is hearing the cries and prayers of faith going forth.

Although God is directing us to provide assistance in the nation of Kenya, Through The Storm Ministries was not founded to focus exclusively on helping the African nations. **TSM also regularly provides assistance to US residents as the need arises and as the Lord directs.**
