Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.
(James 1:27)

Borehole solar update:

Thanks! All of you that prayed and gave for the conversion of our water well to solar power. The matching grant of \$7000 has been met and we now have \$19,650 for the solar! This could only be done because of your giving and hearts that hear from the Lord. May He richly bless you as you touch the lives across the world with the love of God. We need \$25,000 to install the Solar and we are almost there!

Changes in Kenya:

At TSM we have always lived by faith. In doing so the Lord has been faithful. We are totally debt free. When we have a need or if we sense the leading of the Lord on something, we pray, make plans, announce the plans or need and then wait on God's provision. We know that God sets the timing of the provision by speaking to people's hearts and, without fail, the provision comes through. It is wonderful to be able to rest in that assurance.

The TSM board and Janice and I have been considering sustainability over the long term. After prayer we felt that we should open up sponsorship of our children at Haven on the Hill to multiple sponsors. Previously we had been asking for one sponsor per child and putting the money into a fund for their education.

Lately the fees and costs in Kenya have gone up and continue to rise. This has caused us to start using the money that had been set aside for education to pay monthly expenses.

Our cost for raising each child at Haven in Kenya is currently \$150 per month, not counting construction costs, USA expenses and international travel. (Neither Janice nor I receive any salary.) 100% of sponsorship donations go to the children. By allowing those with willing hearts to share whatever the amount the Lord puts on their hearts to give in assisting with the monthly cost of raising those precious ones, the children will have a growing extended family of aunties and uncles who love them and are investing in their future, and more sponsors are laying up eternal treasures in heaven. Any amount given is greatly appreciated. "Little by little makes a bunch."

We have re-designed our Web site at www.throughthestorm.org in order to make it easier to navigate, easier to sponsor children and to offer more payment options. If you have questions about sponsoring our boys please feel free to call or email us.

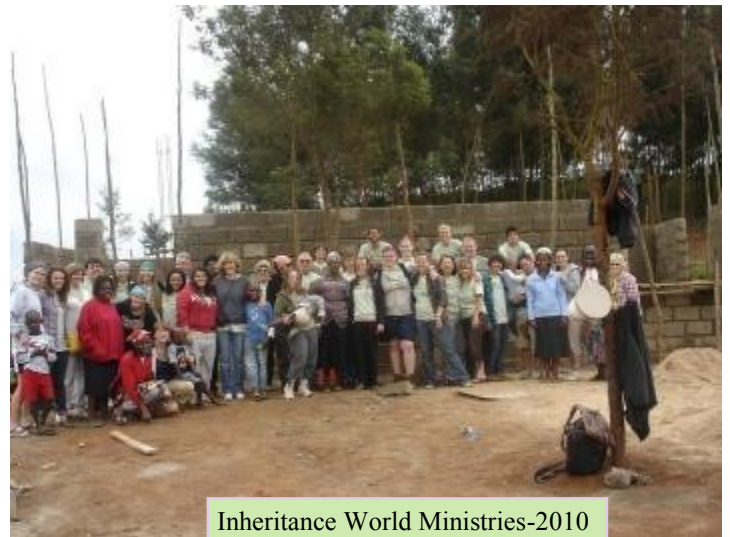

May our Lord Jesus bless you all. *Phil*

Current needs. Please pray over these:

- Our current trip to Kenya for souls added to the kingdom, protection for us and the team, and the **Lord's will be done.**
- Finances for the Kikuyu Bibles
- Finances for monthly operating expenses at the Haven, solar and to continue kitchen/dining room/Chapel/Community and Training Center.
- Educational Sponsors for the boys at the Haven.

Exciting news about our next trip:

Here we go again! **On July 29**, Phil, Janice and three friends will be traveling back to Kenya. We will be meeting a team of **24 people from Inheritance World Ministries, Inc.** This is the same ministry that brought a team back in July 2010 and

Inheritance World Ministries-2010

blessed the Haven with a lot of God's love and hard work in getting the boys' new home started.

Our plans for this trip:

- Lay the groundwork for the water well solar installation.
- Work on our kitchen building and general repairs.
- The public school will be giving us their school **for 4 days to have VBS!!** The school has 270 children.
- On August 6th we will be showing the **Jesus Film in the Kikuyu language at Haven on the Hill** and are believing **the Lord for 1,000 souls to be added to His kingdom.** When we have the altar call we would like to **give out Bibles in their language** to the ones that receive the Lord as savior. The cost for a bible is close to **\$10.00.** If the Lord puts that on your heart to purchase a Bible just write Bible on your donation and we will see that they get it.
- On Saturday August 8 we will be sharing the Word of the Lord and giving clothes to the Haven community.
- We will also be ministering the Word, praying and visiting in the homes of some of our poorer neighbors in Kenya who may be feeling forgotten.

We look forward to sharing more with you all when we return. Please keep us in your prayers. *Janice*

We love and appreciate you!! Thank you for all you do. We could not do this without your prayers and support! (Little by Little makes a bunch)
