Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.
(James 1:27)

Dear friends and partners:

We are so thankful for the blessings that our Lord has bestowed on us, this ministry and this country. We are also thankful to you for your prayers and support, without which, much of the activity that we are discussing in this newsletter would not take place.

Continuing construction at Haven

Thanks to generous donors, the construction has resumed on the Dining/Meeting Hall walls at Haven. After the walls are completed, the roof will be put into place. We operate debt free, except for the debt of love.
(Romans 13:8)

Meet three year old John Mwangi

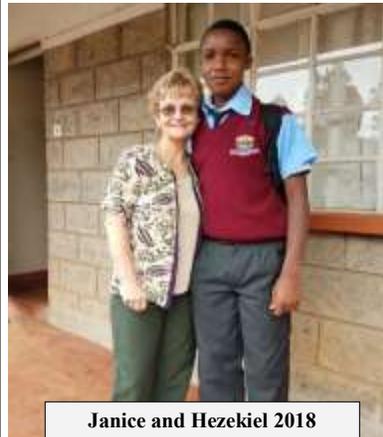

New child at Haven

Another boy has come home to live at Haven. According to the police report, he was found abandoned in the Lenan forest. He was not able to provide any information except his last name, Mwangi. Mwangi had spent more than a year at the Nairobi Rescue Center and no family had come forth to claim him.

After receiving a call from the Rescue Center for help, our mom Elizabeth went to visit, and Mwangi ran to her and called her "mom". Her heart with taken. Elizabeth named him John after her father who had passed away last year.

We now providing a home for 28 boys! Praise the Lord!

We love and appreciate you!! Thank you for all you do. We could not do this without your prayers and support! (Little by Little makes a bunch)

Janice and Hezekiel 2018

Janice, Tyson and Hezekiel 2009

I arrived home from Kenya on March 13th. Thanks so much for all your prayers, I sure felt them. I accomplished more than I thought was possible in the time I had there. The annual financial audit was completed without any problems. (Thanks to my husband for keeping all paperwork in order.) I visited Kelvin's great grandmother to check on Kelvin. They were so excited for my visit and I was treated like royalty. Kelvin was so happy and came running screaming "Mom!" and I got a Big Hug!☺ Hezekiel was home on spring break and I have to say these older boys now look like men. The above picture on the right is Hezekiel, six years old when we received him in 2009. On the left Hezekiel is now 15! We are so proud of them both. Sorry I didn't take any pictures when I was with Kelvin. On the way back to Haven I realized that and was so upset with myself. Will get some next time.

A friend donated to take the boys on a fun trip. That was the Lord because all the boys were home and we had a great time together. We went to a Christian place that had a pool. The weather had been cold and raining from the moment I got off the plane. We prayed, and that day was hot with no rain until we started home. Thanks to all of you for having a loving heart. May the Lord repay to you many times over!
Love ya! Janice

Current needs. Your prayers are important! (James 5:16):

Sunday morning before leaving for church.

Saturday, while the older boys were at school,
(Yes they even go on Saturday). I enjoyed playing
with the younger boys. We ate peanut butter
and jelly sandwiches and had a Bible story time.

**Our new little John Mwangi, and Allan Luke trying to make him feel loved.
They are already real buddies!**

When you choose to sponsor one of these children
for \$10 or more per month, you are changing a
life forever!
