Dear friends and partners:

During these turbulent times across the globe, we are more grateful than ever for your support and prayers. We are praying over you. That NO Weapons Formed Against You Will Prosper, in Jesus Name!

Janice's March Kenya trip

On March the 12th I headed to Kenya. With only 7 days to get a lot done, I knew it would take God, and He showed up! Thanks for your prayers they were needed and felt. Our annual audit was finished and filed quicker than ever before! I was able to visit our oldest boy (now a young man) Kelvin, who is second in his class. Yes I am bragging. He is taking his finals to see what University the government will allow him to join next year. Pray for the Lord's will to continue in Kelvin's life.

God's favor was amazing as I was able to visit and pray with seven of our 8th grade boys at their school. They were preparing to take their exams. Their exams will determine which high school the government allows them to attend.

The Haven boys delivered food, Bibles, prayers and the love of Jesus to five families in our community. These families were in desperate need of food. The pandemic restrictions have hit the

We love and appreciate you!! Thank you for all you do. We could not do this without your prayers and support! (Little by Little makes a bunch)

community hard and many people are suffering. You would be so proud of how our boys share Jesus and His love with others. Thanks to those who gave specifically for this mission.

We were blessed with the opportunity to take the boys on an annual outing! They were so excited to go swimming! We also purchased four bicycles! You should have seen the boys learning to ride a bicycle for the first time in their lives! This was all thanks to partners who donated for this purpose. I am truly grateful for all our partners who make this ministry possible through your giving and your prayers, could never do this without you!

I was truly humbled to be used by God in a mighty way! I was invited to speak to a group of 8th graders at the government school. God showed up and when we ended they prayed and received Jesus as their savior!

Update on new building construction

For the last six months, our architect has been working with the Kiambu county engineering office to gain approval of the engineering drawings for the new home for our older boys. Several milestones have been achieved and we are on the final stages of the approval process, but progress has slowed again due to increased virus restrictions.

I plan to (hopefully) travel to Kenya this month to begin soil excavation for the building so we can be ready for construction to begin as soon as approval is granted. Our previous site engineering approval was granted in 2006 and we have since finished all of that construction. **Phil**

Current needs. Your prayers are important! (James 5:16):

- Guidance for our work in Kenya in 2021 and beyond.
 - Continued safety of our Haven family and community.
 - Please keep our nation and Kenya in your prayers.
 - Funding for new building, septic and furniture. Estimated budget is \$150,000. Currently we have \$74,000.
 - Final approval of our architecture design for the new building.
- We are praying for you!**

Home at Haven

Thanks to a partner that gave to take the boys swimming, Maxwell is enjoying the water.

A family is happy to be receiving food and a Bible

Symon helping Mwangi learn to ride a bike. Thanks to loving partners who gave to buy four bikes for the boys. Thanks to you that gave for groceries and Bibles. What a Blessing!

The boys are working hard to carry food to neighbors

Kuria is happy to share with those in need.

Tyson in 2009
