Dear Friends and Partners:

Because of your faithfulness we continue to grow and spread the love and salvation of Jesus Christ.
"THANK YOU" for your prayers and financial support.

Janice's February trip to Kenya

Thanking you for all your prayers: On this trip I felt your prayers as I entered dirt floor homes that were as small as most garages. The people were very grateful for the love of God they felt through prayers, groceries and blankets we were able to give because of your support.

Meet our new manager of Haven: Samuel, with his wife Naomi and son David.

We love and appreciate you!! Thank you for all you do. We could not do this without your prayers and support! (Little by Little makes a bunch)

My main reason for going back to Kenya so soon was to meet and interview Sam. We needed a man at Haven full time that could guide our boys through this time in their lives, helping them find the Lord's purpose for their future, and also helping us to manage Haven. After explaining what we were needing and praying with Sam, I felt confident he is a gift from God. Also Sam is Naomi's husband. Naomi has been working with Haven since 2008. Naomi was there when we bought the first boys to Haven. I call her the jewel of Haven. Now she has moved back to Haven with her family.

I also spent time ministering to our boys teaching and encouraging them with the Word that the Lord has good plans for them. *Janice*

Update on Clean Water ministry

The community in Kajiado County area of Kenya are now celebrating cleaner water and they know that Jesus is the living water. We could not have done this without your prayers and support!! Read Matthew 10:42

Thanks for your prayers! God Bless You. *Janice*

Maintenance at Haven:

Our playground has been a safe Haven for the children in the community for over 16 years. On my last visit I notice how dangerous and broken it had become. It needs a lot of repair to make it safe again.

Please pray for :

- Our **playground to get repaired** and become a safe Haven for children again.
- Water storage expansion at Haven. \$5,300. Continued **safety** of our Haven family and community
- For all **our boys and young men**, that they continue to walk in the ways of the Lord. (Ephesians 6:4).
- **The Lord is able to use us to reach more people for Christ in these last days.**

Phil's trip to Enkusero to furnish clean water to the community there.

Pipes between borehole and tanks

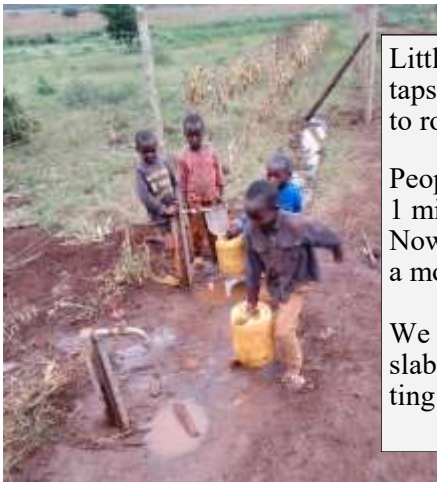

Installing the solar panels to pump water

Tanks for 40,000 liters storage

Trench to the public access to the water

Little boys using the public taps first. Now they don't have to roll their jerry cans as far.

People were carrying water for 1 mile or more from the river. Now, they get clean water from a more convenient location.

We are going to put a concrete slab down to keep it from getting so muddy.

Our boys, Mwangi and Kuria, welcoming me back to Haven

When you choose to sponsor one of these children for \$10 or more per month, you are changing a life forever!
