Dear friends and partners.

We are amazed at what the Lord and you have helped us accomplish in 2015! Here is some of what we have accomplished, together with your help and prayers:

- ⇒ The local public school allowed us to do a four day Vacation Bible School on their grounds. Every child at the school attended. (~250 children)
- ⇒ Made great progress toward the completion of the Kitchen building. (The last task, assembling of the cooking stoves, is in progress.)
- ⇒ Installed a Solar system to power our water well pump. This provides clean water for the Haven and the community with almost no electricity usage. Saving on electricity bills!
- ⇒ Began construction on a much needed Storage Building, located directly under the Solar panels.
- ⇒ Began construction of silage bunkers to help better feed milk cows.
- ⇒ Gave out clothing to ~1000 neighbors throughout the year.
- ⇒ Gave out ~300 Bibles to the community and a neighboring hospital.
- ⇒ Showed the Jesus Film to the Haven community. Many received Jesus as their savior!!
- ⇒ We continued to change lives by raising and nurturing 23 wonderful children. More on the way in 2016!

Plans for 2016

Already, this year is packed with activity. The Kitchen should be in operation and the Storage Building completed by early February. Construction at Haven requires a lot of prayer before the decisions are made to go forward.

The Silage bunkers have been completed in January!

We will be expanding and giving our playground some much needed repairs this year. Thanks to a friend that noticed and gave the funds to make this happen.

As we continue to grow and fulfil the vision that the Lord has given us, more construction is needed. We will need to arrive at an engineering plan for future construction.

Our plan is to bring at least two more young children home to Haven early this year.

Our boys are growing older (one of them is a teenager now). Schooling is a priority as we want to provide the best education for all our boys that we can. (Sponsors for our children help make this happen.)

Kitchen getting very close to completion!

We love and appreciate you!! Thank you for all you do. We could not do this without your prayers and support! (Little by Little makes a bunch)

Boys getting a lesson on how biogas will work in the new kitchen (Aug, 2015).

Continue to minister the love of Jesus and His salvation by letting His light shine in the darkness.

All of this requires faith in God's provision. Even in times where there seemed to be no way, **He has never let us down – and He never will.**

Current needs. Please pray over these:

- Finances for the Haven's monthly operating expenses.
- Continued construction to accommodate more children.
- Wisdom and patience for our board to make the right choices as we fulfil this vision.
- More sponsors for the boys at the Haven.
- God's Wisdom and safety to carry out our assignment.
- Many souls for the Kingdom of God.
- God's protection over the Haven on the Hill family.

May you feel Jesus near every day of the year in 2016!

Hezekiel when we found him age 6 2009

Meet our Hezekiel

Hezekiel came to make Haven on the Hill his home in July 2009 at age 6. We thought at first he had mental problems because of the hopelessness in his eyes and no emotional reactions.

After knowing he was safe, Hezekiel came to life. He loves sports, animals and helping with any chores.

Hezekiel dreams of becoming a veterinarian.

Hezekiel age 12 2016

When you choose to sponsor one of these children you are changing a life forever!
